

**DRAIN YOU**

*1. Verse*            One baby to another says I'm lucky to have met you  
I don't care what you think unless it is about me  
It is now my duty to completely drain you  
I travel through a tube and end up in your infection

*Chorus*              Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
I like you

*2. Verse*            With eyes so dilated I've become your pupil  
You've taught me everything without a poison apple  
The water is so yellow, I'm a healthy student  
Indebted and so grateful, vacuum out my fluids

*Chorus*              Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
I like you

*Intermezzo*

*3. Verse*            One baby to another says I'm lucky to have met you  
I don't care what you think unless it is about me  
It is now my duty to completely drain you  
I travel through a tube and end up in your infection

*Chorus*              Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
Sloppy lips to lips  
You're my vitamins  
I like you
