08 DRAIN YOU

1. Verse	One baby to another says I'm lucky to have met you I don't care what you think unless it is about me It is now my duty to completely drain you I travel through a tube and end up in your infection
Chorus	Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours I like you
2. Verse	With eyes so dilated I've become your pupil You've taught me everything without a poison apple The water is so yellow, I'm a healthy student Indebted and so grateful, vacuum out my fluids
Chorus	Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours I like you
