

**Eye Of The Beholder***1. Verse*

Do you see what I see?  
Truth is an offence  
Your silence for your confidence  
Do you hear what I hear?  
Doors are slamming shut  
Limit your imagination, keep you where they must

Do you feel what I feel?  
Bittering distress  
Who decides what you express?  
Do you take what I take?  
Endurance is the word  
Moving back instead of forward seems to me absurd

*Pre-Chorus*

Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say

*Chorus*

Independence limited  
Freedom of choice  
Is made for you, my friend  
Freedom of speech  
Is words that they will bend  
Freedom with their exception

*2. Verse*

Do you fear what I fear?  
Living properly  
Truths to you are lies to me  
Do you choose what I choose?  
More alternatives  
Energy derives from both the plus and negative

Do you need what I need?  
Boundaries overthrown  
Look inside, to each his own  
Do you trust what I trust?  
Me, myself, and I  
Penetrate the smoke screen, I see through the selfish lie

*Pre-Chorus*

Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say

*Chorus*

Independence limited  
Freedom of choice  
Is made for you, my friend  
Freedom of speech  
Is words that they will bend  
Freedom with their exception

*Solo*

*3. Verse*            Do you know what I know?  
Your money and your wealth  
Your silence just to hear yourself  
Do you want what I want?  
Desire not a thing  
I hunger after independence, lengthen freedom's ring

*Pre-Chorus*        Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say

*Chorus*             Independence limited  
Freedom of choice  
Is made for you, my friend  
Freedom of speech  
Is words that they will bend  
Freedom no longer frees you

*Outro*              Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say
